

# WHAT'S THE ELEPHANT IN THE ROOM?

Created by **drop & reflection**

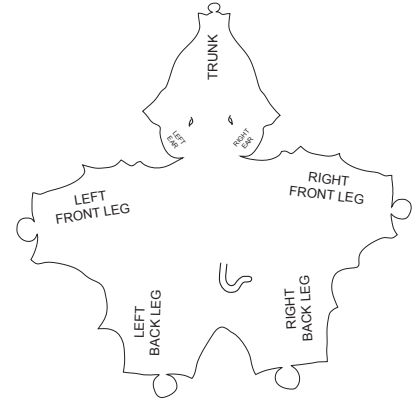

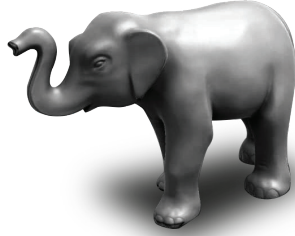

Decorate your Elephant using your preferred creative mediums and make sure not to cover the four cross hairs. If you prefer to use a different paper type or base, you will need to trace this shape including the cross hairs onto that before you begin.

When creating your unique piece of artwork, think about what mental health means to you and how your creation can depict this as you will need to provide a short description.

Once complete head to [whatstheelephant.co.uk](http://whatstheelephant.co.uk) for instructions on how to bring your Elephant to life and to submit your artwork to be in with a chance to feature as one of our 24 community artists in Worcester's
